

WHAT HAPPENS NEXT?

Congratulations! You just signed your purchase agreement on your new home. Below are your next steps towards moving day.

Your Signature Homes Designer will take over as your new point of contact during the build process. They will reach out to schedule your Design Appointment and Pre-Design Meeting a few days after your contract is fully executed. Please download the [DotLoop App](#) to reference all documents moving forward in the progress of your home, such as contract, deposits, and included amenities. Your design addendums will also be added to this after your Design Appointment.

These meetings are held Monday through Friday during regular business hours at the Design Center in the Model Home.

Pre-Design Meeting

This meeting is your time to ask questions about the design catalog, options, PPGs, and build process, as you prepare for your design meeting. The Design Center is also open for browsing Saturdays 10-5pm and Sundays 1-5pm.

Design Appointment

Yes, this is the *big one!* We will make all final selections for your home on this day, with all signed paperwork due 24 hours after your appointment and 25% deposit paid on additions made. You can refer to the [Selection Catalog](#) for all our amazing options to personalize your new home!

How can I prep for these appointments?

- ◆ Browse through the selection catalog and document all your preferred selections—Your designer will provide a spreadsheet to help track these!
- ◆ Walk through your current home and consider your wants and needs! “Do I need an outlet here? Do I like carpet or hardwood?” The list goes on and on.
- ◆ Read through our Frequently Asked Questions provided by your Designer
- ◆ Consider your desired overall purchase price and priorities

DESIGN APPOINTMENT

Your designer will reach out to schedule with you. All selections will be made at your appointment. Design paperwork must be signed within 24 hours of your appointment. You will also meet with your builder to review your homesite.

HOMEOWNER ORIENTATION

The week prior to your closing, our Quality Assurance representative will tour you through your completed home and explain all its functionality. If there are any items that need to be addressed by the builder, they will document those items at that time. These items will be addressed the week between orientation and Final Walk. You will also learn about our Warranty program.

FINAL WALK

You will meet our Quality Assurance representative at your house and review any items that were documented at the Orientation. No new items will be added at this walk-through.

CLOSING

You will receive an email from Signature Homes with your closing date, time and location determined by the Title Company.
