

Late Change Order Process

Congratulations! You have now made your selections for your new home. Below you will find two opportunities to make changes/add during the build. Each change order may have a max of 3 items and incurs a minimum \$500 nonrefundable, fee due at the time of signing.

Your Design Appointment is considered finalized on _____.

Based on your Design finalization date, _____ is the cutoff for any of the changes listed below.

In order to make changes, all paperwork, non-refundable deposits, and change order fees must be completed and to your designer by this date.

Approved Changes & Additions 2 Weeks After Finalized Design Appointment

Appliance Finish	Insulation
Tile & Flooring	Plumbing Options & Fixtures
Trim & Interior Brick Options	Exterior Selections
Lighting Fixtures	Bath Sink Styles
Closet Shelving	

Approved Changes & Additions at Frame Review Appointment

Countertops
Mirrors
Interior Paint
Cabinet Hardware
Additional Hardwood

Specific electrical options that can be added at the frame review are listed in the back of the Selection Catalog for each community.

(with exception of Upstairs Living Areas and Halls)

At no point after contract are changes/additions to be made to the following:
Floor Plan, Front Elevation, Home site, Drawn Options, Windows and/or Doors.

By signing below, I acknowledge that I have read and understand the above information regarding Late Change Orders. I also understand that the builder has the right to accept or refuse any Late Change Order at their sole discretion.
